

# Best New Podcast: Doogtoons Weekly Wrapup

by: Loren

(<http://www.doogtoons.com>)

Podcasts have become the newest form of media on the Internet thanks to iTunes (<http://www.itunes.com>) and websites like Odeo (<http://www.odeo.com>) and Digg (<http://www.digg.com/podcasts>) . What's different about podcasting is that anyone can make them because of how simple they are (just a microphone and a computer). Doogtoons (<http://www.Doogtoons.com>) , the popular (and hilarious) online cartoon website that is responsible for Eli's Dirty Jokes (<http://doogtoons.com/eps-edj.php>) and the "Trapped in the Drive-Thru" (<http://www.doogtoons.com/ep-mv2.php>) " music video, now have an audio podcast, Doogtoons Weekly Wrapup (<http://doogtoons.com/podcasts.php>) .

The podcast itself is loosely based on movies and current news, but for the most part it's total (but structured) randomness. The podcast consists of Doug (a.k.a. Doog) Bresler, "Loser Brain" (Dougs brother), Trevor Algatt, and Billy Reid ([verytasteful.com](http://www.verytasteful.com)) (<http://www.verytasteful.com>) ). What makes this show great is Billy Reid and his insanely funny voices and sense of humor. I am pretty strict when it comes to what's funny and what's not, but Billy Reid makes me bust out laughing every time.

Doogetoons Weekly Wrapup is a great new podcast that fans of older podcasts like Diggnation (<http://www.diggnation.com>) will love. Billy Reid has also created some great videos on his website and my favorite being the newest video (<http://www.verytasteful.com/shorts/lipsyncing.html>) "Lip Syncing to the Song." Doogetoons Weekly Wrapup can be found at iTunes in the "Podcast" section.
